[www.odb-office.eu](http://www.odb-office.eu)

### MAIN OBJECTIVE(S)

- To increase the capacity of civil society organisations (CSOs) of environmental profile to perform their role as independent development actors through establishing a Task Force Group;
- To offer CSOs professional training, international expertise and opportunities for studying innovations in the area of sustainable production, resource management, sustainable agriculture and circular economy.

### BENEFICIARIES

CSOs activists from 12 regions of Uzbekistan, Tashkent city, and Republic of Karakalpakstan working for promotion of sustainable lifestyles, and protecting the environment.

### OVERVIEW

Increase capacities of civil society organisations (CSOs) and transform them to independent development actors.
