MAIN OBJECTIVE(S)

To provide local CSOs with the necessary capacities and tools for effective advocacy, prevention and frontline response to gender-based domestic violence cases.

BENEFICIARIES

Women CSO representatives, high-level state representatives, police officers, private sector managers, violence-affected women enrolled in reintegration programme, young girls in remote areas receiving pre-marital consultations, violence-affected women receiving frontline support services, Mahalla Committees.

OVERVIEW

Improve protection environment for violence-affected women to advance women's rights and women empowerment.
