MAIN OBJECTIVE(S)

- To collaboratively promote a meaningful and structured participation of youth civil society organizations (CSOs) in strengthening delivery of youth services in Andijan region
- To bring closer together youth and local authorities - two key stakeholders for promoting sustainable and inclusive development.

BENEFICIARIES

More than 20 NGOs and approximately 19,500 youth in Andijan.

OVERVIEW

Through supporting youth empowerment, European Union assists the local communities to deliver better services and react to the societal challenges.
