MAIN OBJECTIVE(S)

To contribute to sustainable and inclusive growth in the rural sector in Uzbekistan in the context of a changing climate. Specific objective: To improve the quality of irrigation and drainage service delivery to agricultural users and boost diversification of sustainable high productive agriculture within the project area.

BENEFICIARIES

Farmers and Agri-business in the horticulture sector, Ministry of Agriculture, Uzstandard Agency, agriculture research institutes.

OVERVIEW

EU supports large investments to develop the horticulture sector in Uzbekistan.

Expected results:

- Strengthened research and genetic capacity.
- Improved access for farmers and agri-businesses to technologies, information and markets.
- Improved Safety of fresh and processed horticulture products and better alignment with International Standards.
