MAIN OBJECTIVE(S)

To improve livestock productivity and access to market in selected regions.

BENEFICIARIES

Farmers and agri-business in the livestock sector, State Committee for Livestock and Veterinary Services

OVERVIEW

EU supports large investments to develop the livestock sector in Uzbekistan.

Expected results:

- Improved sector strategy, policy and public investment framework.
- Strengthened livestock sector public services.
- Strengthened market-led technology generation and dissemination.
- Modernisation of livestock value chains and small holder market inclusion.
