

Hydroelectricity Sector Development in the Republic of Uzbekistan– Phase 1

IMPLEMENTING PARTNERS

Agence Française
de Développement
(AFD)

MAIN OBJECTIVE(S)

- To contribute to low carbon economy
- To contribute in the long-term to energy independence of Uzbekistan

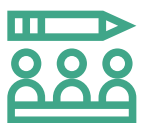

BENEFICIARIES

The Ministry of Investments and Foreign Trade, Ministry of Energy, JSC UzGidroEnerg

EU BUDGET EUR

2,780,000.00
(supporting
EUR 95 million loan)

OVERVIEW

Increase hydropower generation in Uzbekistan sustainably, through a safe optimized and integrated hydropower management approach.

Project will be achieved through the attainment of the following Outputs:

- Charvak Reservoir is rehabilitated and runs with safe operation
- Charvak Emergency Plan is improved
- Charvak cascade hydropower has an optimized plan for investment. Additional hydropower generation capacities at JFK1 & JFK2 (construction of JFK-1A and of JFK-2A) and a new hydropower plant at Paytok is built.
