

Capacity Building of Industry Associations Serving Engineering Companies in Kazakhstan and Uzbekistan

IMPLEMENTING PARTNERS

Cluster of Clean Technologies
CLEANTECH LATVIA
Association of Water Supply
and Sanitation Companies
"Kazakhstan Su Arnasy"
Association of Consulting
Engineers of Uzbekistan

MAIN OBJECTIVE(S)

To improve services offered by industry associations (BIOs) to engineering companies in Kazakhstan and Uzbekistan, and to introduce certification for engineers to assure high quality standards in investment project implementation and develop MSME's presence in new areas.

EU BUDGET EUR

954,902

BENEFICIARIES

Engineering companies, BIOs, small and medium enterprises (MSMEs) involved into industries requiring certification.

OVERVIEW

The project will share and communicate European experience to representatives of associations in Kazakhstan and Uzbekistan. It will develop content of training courses and certification programme to improve MSME's competitiveness; and will pilot training courses and certification programme on MSMEs representatives from Uzbekistan and Kazakhstan.
