MAIN OBJECTIVE(S)

- To contribute to sustainable and inclusive growth in the rural sector in Uzbekistan in the context of a changing climate.
- To improve the water supply and the efficiency of water resource management at national, basin and farm levels.

BENEFICIARIES

Ministry of Water Resources, Basin Irrigation System Administrations, Water Consumers Associations.

OVERVIEW

Achievements include formalised coordination mechanisms and improved efficiency and effectiveness of water-related programs; the EU Water Framework Directive and other international standards reflected in the national legislation; and strengthened institutional capacity to manage water resources.
